Funding Pips Referral Code “2C14A034” – Save 5% and Start Your Funded Trading Journey

Introduction

In today’s trading world, thousands of traders face the same challenge: having the skill to trade but lacking enough capital. This is where **prop trading firms** like **Funding Pips** come in. By offering evaluation programs and funded accounts, Funding Pips helps talented traders access real capital without putting their own money at high risk.

And now, with the **Funding Pips Referral Code “2C14A034”**, you can **save 5% instantly** on your evaluation fee, making it easier and cheaper to start your funded trading career.

What is Funding Pips?

Funding Pips is a proprietary trading firm that evaluates traders through a challenge system. Once you pass their evaluation phases, you gain access to large funded accounts and can trade global markets such as Forex, indices, commodities, and crypto. The best part? Traders keep a large share of the profits while Funding Pips takes care of the capital.

Benefits of Using Referral Code “2C14A034”

When you register with **Funding Pips Referral Code 2C14A034**, you unlock several benefits:

1. ✅ **5% Discount on Evaluation Fees** – Immediate savings at checkout.
2. ✅ **Access to Funded Accounts** up to six figures once you pass.
3. ✅ **High Profit Share** – Keep 80%–90% of your profits.
4. ✅ **No Time Pressure** – Flexible evaluation period so you can trade at your own pace.
5. ✅ **Top Trading Platforms** – Trade with MT5 and advanced analytics tools.
6. ✅ **Fair & Transparent Rules** – No hidden traps or unfair restrictions.
7. ✅ **Global Availability** – Accessible for traders in the US, Canada, UK, EU, Asia, and more.

8. ✅ **Scaling Plan** – Increase your account size as your performance grows.

Why Traders Choose Funding Pips

Unlike traditional brokers where you risk your own capital, Funding Pips gives you the chance to:

- Grow as a professional trader without financial stress.
- Trade larger positions than your personal account would allow.
- Learn discipline through structured evaluations.
- Focus on profitability instead of worrying about losses.
- Build a trading career with the backing of a trusted firm.

This makes Funding Pips especially appealing for both beginner traders seeking opportunities and experienced traders looking to scale.

How the Referral Code Works (Step by Step)

1. Go to the **Funding Pips official website** : https://app.fundingpips.com/register?ref=2C14A034
2. Click **Sign Up** and choose your evaluation package.
3. Enter the **Referral Code 2C14A034** during checkout.
4. The **5% discount** will be applied automatically.
5. Start your evaluation and aim for funded status.

Real Value of the 5% Discount

While 5% may seem small, it adds up—especially for traders taking multiple challenges. Every dollar saved on fees means more resources for your trading journey. More importantly, it reduces the barrier to entry for anyone who wants to join the world of prop trading.

Conclusion

Funding Pips is one of the fastest-growing prop trading firms, offering fair rules, high profit splits, and strong support for traders worldwide. With the **Referral**

Code 2C14A034, you can **save 5% immediately** on your evaluation fees and take the first step toward trading a funded account.
